## COLLEGE OF CRIMINAL JUSTICE EDUCATION Bachelor of Science in Criminology

### OBJECTIVES

The graduates:

1. demonstrate the values of leadership, integrity, accountability and responsibility in crime prevention, law enforcement, scientific crime detection and correctional administration;
2. engage in research and extension activities on the nature, causes, and treatment of criminal behavior; and
3. improve efficiency to prevent crimes through collaborative efforts with the criminal justice agencies, responsive community, the local government and non-government units.

### COURSE DESCRIPTION

The field of criminology is a study of crime and the various agencies of justice as they operate and react to crime, criminals and victims. It is therefore the mission of the **CRIMINOLOGY PROGRAM** to provide the community with professionally competent and morally upright graduates who can deliver efficient and effective services in crime prevention, crime detection and investigation, law enforcement, and custody and rehabilitation of offenders, among others.
