Subject : **Composition of the committee for the planning and conduct of the IFSU
5th Charter Day and 94th Founding Anniversary celebration and related
activities**

Date : **August 11, 2014**

1. We will be celebrating our joint Charter Day and Founding Anniversary this coming October 12-14, 2014. It is however unfortunate that I cannot be with you during the said occasion due to my travel to Japan as a visiting professor in one our partner university, the Kobe Gakuin University. In order to ensure a successful and meaningful celebration, you are hereby designated to compose the committee to plan and implement all scheduled activities for the occasion.
 2. Considering our participation to regional and national athletic meets, a day may be utilized as a selection period for our student athletes in events to be determined. A day may also be utilized for the selection of our faculty and staff to represent the institution during inter-school friendship games. The third day (October 14, 2014) shall be the special anniversary day program.
 3. Sub-committees may be constituted as necessary and details of activities shall be crafted and properly disseminated to all concerned within the second week of September 2014. This is to give sufficient time for every participant to prepare themselves in their respective game/s.
 4. Your active participation and commitment are enjoined.
