MEMORANDUM No. 48 - 2012

TO : ALL CONCERNED EMPLOYEES

FROM : SERAFIN L. NGOHAYON, Ph.D.
President

SUBJECT : Working committees for the 92nd Founding Anniversary and 3rd Charter Day celebration of the Ifugao State University

DATE : September 24, 2012

In line with our forthcoming 92nd Founding Anniversary and 3rd Charter Day celebrations scheduled on October 13-14, 2012 and with the austerity measures of the National Government, we shall celebrate our 92nd Founding Anniversary and 3rd Charter Day in the simplest way possible for this year. Relative to the cost cutting measure, the same celebration shall serve as the venue for the selection of students who shall represent the university in the sports and cultural activities to the CARASUC Meet sometime in November 2012. So as to ensure the smooth conduct of all lined activities, committees are hereby constituted.

The overall coordinators for sports and games and the cultural activities are tasked to do the necessary preparations for all the contested activities in consideration to agreements made during the CARASUC sports and cultural meeting held in Bontoc Mt. Province and related issuances from the CARASUC Executive Board. It is inclusive of venue determination, program preparation, manpower assignment, equipment/supplies procurement and scheduling. The other committee chairpersons are likewise advised to determine their needs and prepare the necessary procurement documents and submit the same to the Chairperson of the Ways and Means Committee, Dr. Juliet C. Daniels for appropriate actions. In line with the procurement process, purchase requests for equipment/supplies to be used should be submitted at least two weeks before occasion.

The following are the working committees, to wit:
