University President

SUBJECT : Submission of updated data to CHED Central Office re Normative Funding Scheme

DATE : March 12, 2015

1. The budget allocation of SUCs for 2016 is again underway with the Commission on Higher Education performing its oversight function for SUC budgets. As in the past years, allocation of budget for Maintenance Operation and Other Expenses (MOOE) is done through normative financing scheme (NFS) whereby SUCs budgets for Instruction (MFO 1 - Higher Education and MFO 2 - Advance Education Services), Research (MFO 3), Extension (MFO 4) and General Administration (STO) are allocated based on the SUCs performance compared to standards and ranked versus the other SUCs.
2. You are therefore instructed to see to it that updated data of our performance, using appropriate forms and covering years 2012, 2013 & 2014 are submitted to CHED Central Office. See to it too that said data are inputted in the IFSU database to ensure that we are indeed rated/ ranked according to our performance.
3. You can use all the resources of the university in relation to the aforementioned function.
4. For your commitment and compliance.
