MEMORANDUM No. 39 s. 2016

TO : **RENE PINKIHAN**
Project Manager
IFSU Piggery Project

SUBJECT : **REVOCATION OF DESIGNATION AS PROJECT MANAGER
OF PIGGERY PROJECT**

DATE : **August 1, 2016**

The IGP Board of Management (BOM) had recently met for its 2016 Meeting last July 29, 2016. Part of the meeting is the discussion of the status of all IGP Projects. With regards to the Piggery Project, the following were observed:

1. The Piggery Project incurred a net loss of PhP169,631.05 in 2015 and PhP39,298.95 for the period from January 2016- June 2016.
2. The said project suffered from a debt of more or less PhP200,000.00 from Jamiko Enterprises just from February to May 2016
3. There was no close supervision on your part in managing the said project, e.g. stock of biologics in the project is not regularly monitored wherein there were times when the pigs were sick and there are no medicines to use.

Thus, the BOM decided to institute changes in the project operation, one of which is the change in the leadership. Your designation as Project Manager is then hereby revoked effective August 2, 2016. As such, you are instructed to complete your report and inventory of stocks under your care and turn them over to the new Project Manager, Mr. Nathaniel F. Dimog.

You are also instructed to provide whatever documents needed for the payment of unpaid orders to Jamiko Enterprises and facilitate the immediate release of funds and payments thereof.

For your compliance.
