SUBJECT: LIFTING OF CEASE AND DECEASE ORDER OF THE AGANG-ANG BRIDGE CONSTRUCTION

DATE: October 28, 2010

1. Related to the construction of the Bailey Bridge connecting IFSU and Sitio Agang-ang which was ordered to be stopped as per Office Order No. 6 dated September 23, 2010, please be informed of the following:
 - a. That the construction of the bridge is hereby APPROVED subject to the following conditions:
 - a.1. The bridge should be in accordance with the attached plan particularly the construction of the box culverts of the canal to be crossed by the access road;
 - a.2. A road system should be in place even by simply grading the connecting lot from the bridge to the existing road;
 - a.3. The existing fence should be transferred from its original location to the perimeter of the road to be graded; and
 - a.4. All properties of IFSU are not in any way changed much more destroyed.
 - b. The order to stop, cease and decess the construction of the bridge is hereby LIFTED. The contractor is hereby allowed to continue working following the above stated conditions and should work in close coordination with Arch. Dexter Gullon to ensure conformity with the site development plan of the university.
2. The IFSU Main Campus Director, Mr. Florencio D. Dimog, and the Arch. Dexter Gullon, are hereby instructed to look into the full implementation of these conditions.
3. For strict compliance.

SERAIN L. NGOHAYON, PhD
University President

Cc: VP Planning and Resource Generation, Arch. D. Gullon, IFSU Main Campus Director, Records, file
