- b. The approving officials in 1.6 above

Note: The approving official for payment in 1.6 above shall also be the one to sign countersign the checks prepared thereto.

2. The ALTERNATIVE SIGNATORY enjoys full authority and responsibility and can always exercise said authority when called for such as when the signing officer is not available at the time of need or when the signing officer waives his right to sign or is bound by conflict of interest to do so.
3. The delegated authority comes with responsibility. The signing official is hereby reminded that they take full responsibility for their actions/ decisions of stamping their signature of conformity/ approval. To emphasize this point, signing/approving officials must place their respective FULL NAMES in the PR/ PO/OS/ DV/ CHECKS either by typing, handwriting or using a ready-made stamp, before affixing their signatures.
4. The University President reserves the right to veto/ revoke approval already given by the authorized officials when circumstances so dictate such as when the interest of the university is at stake or it is necessary to avoid potential pitfalls arising from the action. Thus, the designated/ authorized officials are instructed to ensure proper and full compliance with procedures, university rules and regulations and government accounting and auditing rules before attaching their signature.
5. The DEPOSITORY BANKS of the university are hereby requested to honor the signatures of the designated officials hereof. The designated/ authorized officials to approve vouchers and countersign checks are also instructed to undergo requisite processes with the depository banks and prepare/ secure the paraphernalia they need in the performance of said function.
6. As a ready guide, the flow-chart below is provided to serve as guide in the processing of financial transactions with the end in view of complying with the provisions of COA Circular 2006-003 dated January 31, 2006 (see Fig. 1 below).
7. The responsibilities of the heads of offices are reiterated as follows:
 - 7.1. The Head of the Requesting Unit (Approving official for PR) shall certify on the necessity and legality of charges to appropriations/ allotment under his/her direct supervision and the validity, propriety and legality of supporting documents. Specifically, they are to ensure that said request is in the APP;
 - 7.2. The Head of the Budget Unit must certify the availability of allotment and obligations incurred in the Obligation Slip before signing the Box B of the OS;
 - 7.3. The Head of the Budget Unit must maintain Registries of Allotments and Obligations (RAO) under the Manual on the New Government Accounting System and/or Registry of Budget and Utilization. She is to regularly update the record and inform the various units of the balances of their appropriations.
 - 7.4. The Head of the Accounting Unit must certify the availability of cash and completeness of the supporting documents in the DV;
 - 7.5. The Head of the Accounting Unit must also prepare the Daily Cash Position Report to be submitted to the University President.
8. For purposes of checking accountability, the Budget and the accounting Units shall stamp the date of receipt on the face of the OS and DV forms.
9. This Office Order supersedes and revokes previous issuances related thereto. It takes effect immediately and shall remain in effect unless terminated/revoked by competent authority.

SERAFIN L. INGOHAYON, Ph.D.
University President

The first part of the document discusses the importance of maintaining accurate records of all transactions. It emphasizes that every entry should be supported by a valid receipt or invoice. This ensures transparency and allows for easy verification of the data.

In the second section, the author outlines the various methods used to collect and analyze the data. This includes both manual data entry and the use of specialized software tools. The goal is to ensure that the data is both accurate and easy to interpret.

The third part of the document provides a detailed breakdown of the results. It shows that there has been a significant increase in sales over the period covered by the report. This is attributed to several factors, including improved marketing strategies and better customer service.

Finally, the document concludes with a series of recommendations for future actions. These include continuing to invest in marketing, maintaining high standards of customer service, and regularly reviewing financial performance to identify areas for improvement.

The second part of the document focuses on the financial aspects of the business. It provides a clear overview of the revenue and expenses for each quarter. This allows for a detailed analysis of the company's profitability and helps to identify any potential areas of concern.

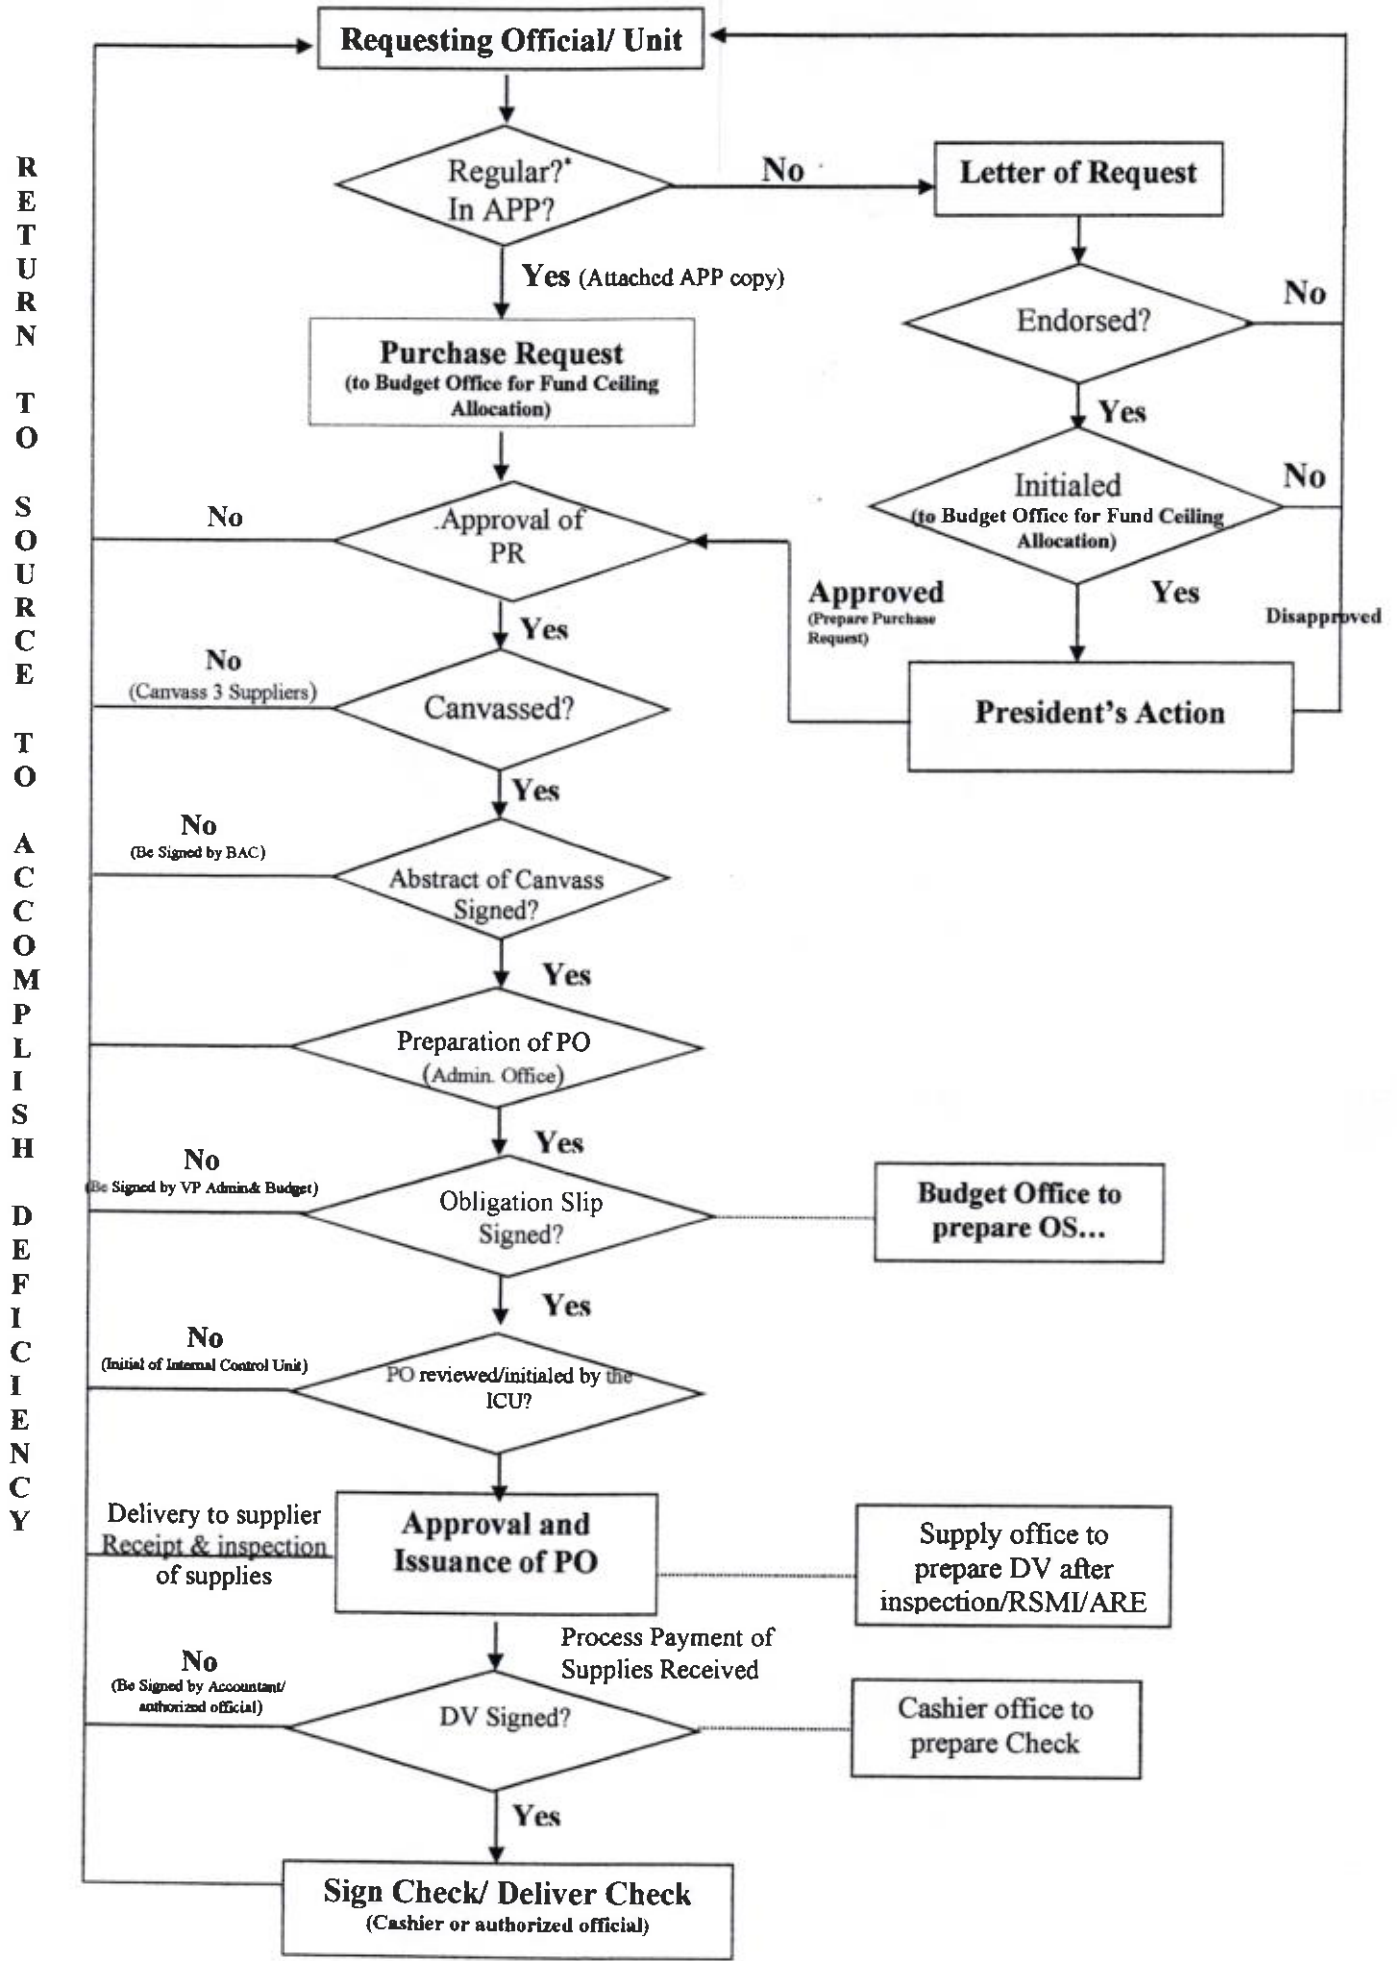

The third section discusses the company's overall financial health. It notes that the company has maintained a strong position in the market, with a solid balance sheet and a healthy cash flow. This is a result of careful financial management and a focus on long-term growth.

The fourth part of the document provides a summary of the key findings from the financial analysis. It highlights the company's strengths and identifies the challenges it faces. This information is crucial for making informed decisions about the company's future.

Finally, the document ends with a series of recommendations for the company's financial strategy. These include diversifying the company's revenue streams, improving operational efficiency, and maintaining a strong relationship with financial institutions.
